1. Published research and studies do not necessarily express the opinion of the Journal.
2. When the research is accepted, the author undertakes to transfer the ownership copyrights of the research to the Journal, and not to publish it in any other Journal, except after obtaining written approval from the Journal 's management. The Journal has the right to publish the research in a collective book; and if the researcher wants to publish his research in any paper, or electronic publishing medium, he must obtain prior written approval from the Journal 's management.
3. The Journal is committed to inform the author of the approval to publish the research without modification, or according to specific modifications based on the comments of the evaluators, or apologizing for not publishing within a period not exceeding (30) days, except in the case of early writing (asking the author to write a sample to know his method), but the author is informed of that.
4. If the research is rejected, the Journal has the right to inform the author of the reasons for rejection, or not to inform him of that.
5. The arrangement of research (articles) within the Journal is subject to technical purposes, and has nothing to do with the status and fame of the author (researcher).
6. Correspondence should be sent to the Editor-in-Chief: Dr. Ammar Abd al-Razzaq al-Sagheer at the following addresses:
